ABOUT HACHETTE

Hachette Boardgames UK was founded in 2021 by Flavien Loasier as the UK distribution branch of the *Hachette Livre's* board games.

Hachette Livre was founded as a book publisher in Paris in 1826 by Louis Hachette. The *Hachette Livre Group* provides everything from formal text books to captivating comics. With a consistent focus on impressive variety and outstanding quality, Hachette always tailors its offerings to its audience. This philosophy also underpins their growth into board games in 2019, bringing together some of the industry's top publishers.
